

# Online and Mobile Banking

## Your Account Is Always At Your Fingertips

Westmark's Online and Mobile Banking provides anytime access to real-time account information from the convenience of any device. Online and Mobile Banking is convenient, easy to use and more secure than ever.

## Features and Benefits

- View real-time account balances and history
- 24-hour access to savings, checking, loans, and Term Certificates
- Export history to financial software or spreadsheets
- Transfer funds between accounts
- View copies of checks that have cleared your account
- Retrieve paperless e-Statements online for the past 18 months
- Keep track of your finances and account changes by receiving Account Alerts sent to either your e-mail or directly to your phone via text message
- View pending items that are being held on your checking account or credit card before they clear
- Customize your view to see the accounts you use most along with nicknaming them
- Manage your account from your mobile device using our Westmark Mobile App
- Deposit checks from your mobile device using our Mobile Check widget

## Installing our Mobile Banking App

Our Mobile Banking App is made specifically for your mobile device. It gives you fast and secure access to account information.

1. On your mobile device, open the App Store or Google Play and search for Westmark and download the app.
2. Launch the app and enter your login credentials.
3. Go Mobile! You are now set up to use our app.
